(b) The GA shall provide the University with written notice not less than thirty (30) days prior to the date of the requested leave, if practicable. In the case of an emergency, the GA must give verbal notice within twenty-four (24) hours of taking leave. In the case of a serious health condition, the University may request medical verification from a health care provider. The University may also require the GA to see a health care provider of the University's choice and at the University's expense.

(c) The GA may request an extension of the leave which the University at its sole discretion may provide. This leave would be unpaid.

(d) The GA is entitled to return to the same or similar position at the conclusion of the leave. This return provision does not apply if the return date is after the completion of an employment contract.

(e) The University shall continue to pay the health care premiums during the duration of the GA's leave. If applicable, the University's tuition waiver shall be maintained.

(f) A GA must be in at least a second semester of employment as a GA to be eligible for this leave provision.

(g) In the event that both parents are GAs, both are entitled to the eight (8) weeks of paid leave following the birth, foster care placement, or adoption of a child. If both parents work in the same department, their leave may not overlap.

(h) The leave provided in Article 8.3 is exclusively related to leave from the GA's appointment and assignment. Any academic/student leave requests must be made and approved through the appropriate University process.

8.4 Members of the bargaining unit may request a leave of absence for a semester or a year to pursue research related to their academic program. The GA shall be considered an employee during such leave. Such leaves are subject to the University's approval.
