GAU Statement on UF's Transition to Online Instruction Due to COVID-19

GAINESVILLE, FL – GAU continues to monitor developments regarding the Coronavirus (COVID-19). Given the current public health crisis involving COVID-19, we believe it is prudent to follow the recommendations of public health experts and temporarily transition to online instruction. This outbreak should be treated seriously, and we encourage the community to follow the advice of the Centers for Disease Control and Prevention (CDC) and other public health professionals. As of now, GAU's scheduled events will continue with additional health and sanitary precautions.
