The purpose of this Memorandum of Understanding (MOU) is to address impacts on the bargaining unit resulting from emergency operational changes the University of Florida Board of Trustees (University) has made or may make as a result of the COVID-19 health emergency.

This MOU applies to articles within the 2017-2020 Collective Bargaining Agreement (CBA) between the University and GAU affected by emergency operational changes enacted by the University in the wake of the COVID-19 health emergency. [This MOU will remain in effect through Fall 2020.](#) Except for the modifications made by this MOU, all terms and conditions of the 2017- 2020 CBA remain in effect. If a new CBA is ratified by the parties prior to the termination or expiration of this MOU, this MOU will apply to the new CBA for as long as the MOU is in effect.

Announcements of any such changes that go to University Graduate Assistants at large shall satisfy this requirement.

Any accepted presentations or invitations that were cancelled due to the COVID-19 health emergency during the period governed by the annual evaluation may be included by the Graduate Assistant in materials used to assess performance.

Further, the University will direct supervisors to give weight to any special contributions made to advance teaching, learning, and research during the COVID-19 health emergency. Although not part of the sources of evaluation outlined in Articles 5 and 6, Graduate Assistants may provide their supervisor with a statement describing adverse impacts of the COVID-19 health emergency on their teaching/research/scholarship/creative activity for academic year 2020-2021 and any individual efforts to maintain department instructional continuity.
