Statement on the Death of George Floyd

GAINESVILLE, FL – GAU stands in solidarity with protestors, activists, and organizers across the country who are fighting systemic racism in American society and governments.

The deaths of George Floyd, Breonna Taylor, Ahmaud Arbery, and other Blacks senselessly killed were entirely preventable. Racism and police violence are not limited to one place or one time. We must honor all of the lives stolen too soon and work collectively to ensure justice means justice for all.
