

SmartSaveRx

Brought to you by Magellan Rx Management

What if you could receive up to 65% savings on your prescription during your waiting period before your insurance starts? What if you could receive this savings even if you work part time or as a consultant? Now you can with SmartSave Rx.

Visit SmartSaveRx.com to access your free prescription savings card. Bring the card to a participating pharmacy and receive a discount on your prescription – it's that simple! You can reuse your card each time you go to the pharmacy or access a new one at any time. You can also use the find a pharmacy feature on our website to locate the nearest participating pharmacy, and even research the price of a drug. **Savings made easy.**

Who can use the SmartSave Rx card?

Anyone living in the United States—even your family pet!

When would I use SmartSave Rx?

You can use SmartSave Rx:

- Anytime you fill a prescription
- When you are uninsured and need to fill a prescription
- When health insurance doesn't cover the prescription

Can I use SmartSave Rx with insurance?

This card is not insurance. You are responsible for paying the balance of the drug cost after the discount is applied. This card also cannot be used in conjunction with any third party payer program, including Medicare or Medicaid. You can ask your pharmacist to help you compare prices.

*Actual savings vary based on medications; some restrictions may apply.
