

Tentative MOU with GAU
Draft 11/24/20

The University and the Union agree on the following with regard to COVID-19 matters:

- Cover inpatient and observation admissions at 100% for a COVID-19 positive diagnosis January-December 2021 for IN and OUT of network services, but members may be subject to balance billing from non-participating providers.
- The University will waive fees when a member is hospitalized for treatment through 12/31/21.

Approved: William Connellan
